

# Other Qualitys

## Front Seat

**High quality seat that strikes a balance between comfort and firmness while driving.**

An 8-direction power seat comes as standard equipment on all vehicles.

A comfortable rounded seat back shape wraps around the driver producing an outstanding fit.

## Rear Seat

**Head rest positioned in the center and an arm rest with attached cup holder are also provided.**

The rear center head rest has been enlarged in consideration of the comfort of passengers sitting in the center. The rear arm rest also comes equipped with a built-in cup holder.
